President's Message

Fellow Rotarians,

Our first "Bring a Friend Day" on July 26 coincided with our annual visit by the District Governor, Alan Hurst. We were joined by District Governor Nominee (2006-07) Ernie Luise, our former Assistant District Governor as well as by prospective member, Jane Pinho, Manager of the Waterbury branch of Naugatuck Savings Bank. Alan spoke about many aspects of Rotary, but the one I appreciated the most and the topic that opened his talk was membership. If I sound like a broken record, it is intentional.

Everything we do or hope to accomplish as a Club depends on each one of us. Wouldn't it be nice to have to squeeze chairs into the room until we finally have enough regular attendees at meetings to outgrow the space? How wonderful would it be to have to solve the dilemma of people vying for leadership, or to have a chair of International projects, or to finish the requirements for the Governor's Citation in December? I will work hard to see that these things happen during my tenure.

In honor of Rotary Membership Month, the next "Bring a Friend Day" will take place on August 30. I know how hard it is to get people to commit to coming to our meetings and it's even harder to have them actually attend, but I know you can do it! We have to pre-qualify people to a certain extent by making sure they either live or work in Waterbury, but give people a chance to say no before you count them out. Encourage them by giving them a copy of this newsletter so they can see first hand what we have been up to. Have them go to our web site at www.waterburyrotary.org or Rotary International at www.rotary.org to find out more about us.

Remember why you joined Rotary and spread the word – Bring a Friend!

Thanks and see you next month!

Group Study Exchange

Since its inception in 1965, the Group Study Exchange program has provided grants funded by the Rotary Foundation for countless teams of men and women in the early stages of their business and professional careers to travel abroad and share vocational information with the representatives of their respective professions in another country. Team members spend four to six weeks studying the host country's institutions, economy and culture, while observing how their own professions are practiced abroad. More than 500 exchanges between paired Rotary districts occur each year, advancing the program's ultimate goal of promoting international understanding, goodwill.....and peace.

Dictionary Project

Watch for upcoming details on our Dictionary Project. We will need members to help put the book plates into each dictionary in late August and then to help distribute the dictionaries to the schools in September. This is our first major service project in some time and we will need everyone to contribute.
